

CODE OF CONDUCT

The Ottawa Hockey Analytics Conference is dedicated to providing a harassment-free conference experience for everyone involved. We expect that all communications and interactions related to the conference will be cordial and professional. Harassment of conference participants (sponsors, volunteers, speakers, attendees, etc.) will not be tolerated in any form.

We value the attendance of all participants and we expect all participants to be respectful and courteous.

Harassment includes offensive verbal comments related to gender, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, ethnicity, religion, technology choices, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention.

Participants asked to stop any harassing behavior are expected to comply immediately. If a participant engages in harassing behavior, the conference organizers may take any action they deem appropriate, including warning the offender or expulsion from the conference with no refund.

If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact a member of conference staff immediately.

We expect participants to follow these rules at conference and workshop venues and conference-related social events.
